

# Gordian Knot

The AstroQuiz

## **Problem Statement**

This event will comprise two rounds:

1. In the preliminary round, participants will attempt a *written quiz* with questions from astronomy and related areas. The quiz will comprise 35 questions (25 MCQs and 10 short answer type questions) and last for 40 minutes.
2. In the main round, the participants will be asked questions on an individual basis. The details of the final round will be given out just before it starts.

## **Timeline**

- Participants must be present at the specified venue 5 minutes before the commencement of the event.

## **Judging Criteria**

- The points' distribution for the preliminary round will be specified on the question paper.
- The judging criteria for the final round will be revealed just before the round commences.
- If two/more participants get the same score, there will be a tie-breaker round.

## **Rules and Regulations**

- Cheating is strictly prohibited and will lead to disqualification.
- Organizers reserve the right to modify rules at any point in time, with intimation to registered participants.

In case of any doubt/concern regarding the event, either call the co-ordinators or write a mail to [stac@students.iitmandi.ac.in](mailto:stac@students.iitmandi.ac.in) or drop a message on this [facebook](#) page.
